

LAKE BRYAN TRAILS

East Loop trails are **ONE WAY** and follow a counter-clockwise direction, denoted by the directional arrows on the map. Foot traffic may use the trails in either direction but must be prepared to meet bikers travelling at a high rate of speed. **BE OBSERVANT**. It is also highly suggested to not wear earbuds while on the trails to help you better hear approaching traffic. If you must do so, use only one earbud.

EAST LOOP SECTION DISTANCE

| Trail | Distance |
|---------------------|----------|
| 01 Roller Coaster | 0.59 |
| 02 Wildflower Alley | 0.31 |
| 03 Octopus | 1.83 |
